

Message from the President

Dear Fellow Rotarians,

It is a great honour and privilege for me to serve as the President of the Rotary Club of Motijheel for Rotary Year 2026–2027.

Rotary is built on the values of service, friendship, integrity, leadership, and compassion. As President, I am committed to upholding these values and working together with our dedicated members to make a meaningful and lasting difference in the lives of people and communities around us.

The Rotary Club of Motijheel has a proud tradition of serving humanity through various social, humanitarian, educational, health, and community development initiatives. Our greatest strength lies in the dedication, experience, and unity of our members.

During this Rotary Year, we will continue our efforts to implement impactful and sustainable projects in areas such as education, healthcare, environmental protection, tree plantation, clean water and sanitation, and support for underprivileged communities. Our goal is not only to provide immediate assistance but also to create sustainable solutions that bring long-term positive change to society.

I firmly believe that through teamwork, mutual respect, and collective commitment, we can achieve greater success and strengthen the spirit of service in our community.

I extend my sincere gratitude to all members of the Rotary Club of Motijheel, our partners, friends, and well-wishers for their continued support and cooperation. Your active participation and encouragement will be the driving force behind our journey of service.

Let us work together with dedication and compassion, guided by Rotary's timeless motto:

“Service Above Self”

Together, let us make a difference and continue to serve humanity with purpose, passion, and pride.

Rotarian M. A. Khaleque Nipu

President 2026-2027

Rotary Club of Motijheel
